

**e-IFU:  
Strategies to  
implement as  
general  
practice**

8-May-2025

INTER-AMERICAN COALITION FOR  
**REGULATORY  
CONVERGENCE**

MEDICAL TECHNOLOGY SECTOR

ANNIVERSARY

# e-IFU Working Group

## Problem Statement

Some countries in LATAM do not accept e-IFU, however, it is a trend adopted for many companies

## Main Objective

Provide documents/position that support the strategies to advocate e-IFU adoption across the countries.

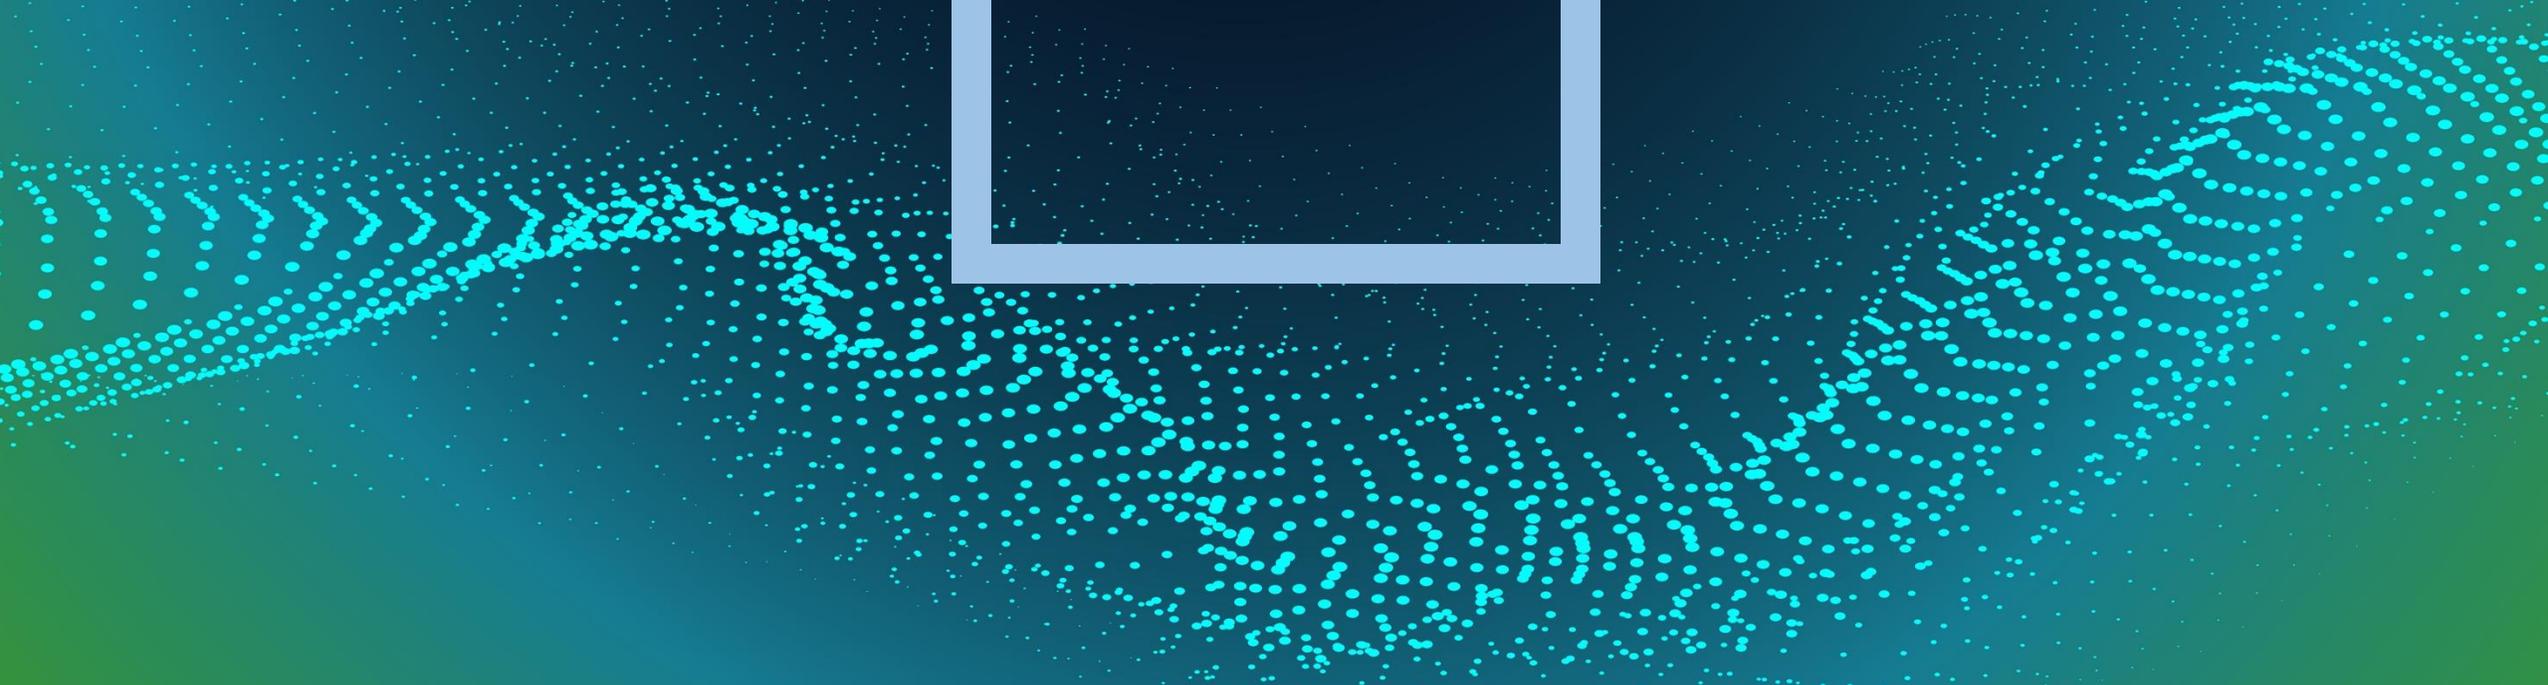

# General activities

			2025									
	Activity	Estatus	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Oct	Nov

# Survey:

Methodology	
Audience	Health Care professionals
Scope	Argentina & Colombia
Distribution strategy	TBD: Coalition Vs Loc trade associations will distribute survey across professional associations.
Data collection	1 -2 months
Type of questions	Intended to understand what are the preferences of HCP regarding IFU (paper vs. e-IFU).

- Lay user products excluded from survey.
- Survey already validated by HCPs into the companies.

THANK YOU
